Visit www.aig.com/multinational for more information, online course registration, and the training FAQ containing detailed learning objectives.

* Each course has been accredited for Continuing Education (Continuing Professional Development) credits/hours in select locations. The Chartered Insurance Institute (CII) accreditation status for the UK demonstrates the quality of the learning of the Navigating Multinational Risks courses and confirms that they meet CII member CPD scheme requirements.

American International Group, Inc. (NYSE: AIG) is a leading global insurance organization. AIG provides insurance solutions that help businesses and individuals in approximately 190 countries and jurisdictions protect their assets and manage risks through AIG operations and network partners. For additional information, visit www.aig.com. This website with additional information about AIG has been provided as a convenience, and the information contained on such website is not incorporated by reference herein. AIG is the marketing name for the worldwide operations of American International Group, Inc. All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Products or services may not be available in all countries and jurisdictions, and coverage is subject to underwriting requirements and actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds. American International Group UK Limited is registered in England: company number 10737370. Registered address: The AIG Building, 58 Fenchurch Street, London EC3M 4AB. American International Group UK Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and Prudential Regulation Authority (FRN number 781109). This information can be checked by visiting the FS Register (www.fca.org.uk/register).
